

## CCS's 2008 SAT 10 Grade Equivalent Scores

**SAT's** – Below are statistics that illustrate the 'Grade Level Equivalent' that our students performed at on the average on the S.A.T.'s taken in **April 2008**. Included also are the April 2006 and 2007 scores for comparison's sake. (Note: 1.3 = first grade, 3<sup>rd</sup> month; 6.7 = sixth grade, 7<sup>th</sup> month; etc.) In reviewing the numbers please keep in mind that CCS does not pre-test students before enrolling. Instead, we welcome those whom God sends. Therefore, we have great diversity in ability. In general, we are very pleased with how our students performed, but we are always looking for ways we can improve.
