Dear Parents,

The goal of the CCS Academic Coaching program is to equip your child with the necessary tools and skills to be successful in the classroom and beyond. My goal is to walk alongside you and your child to utilize their strengths and strengthen their weaknesses.

The Academic Coaching program uses a step-by-step, multi-sensory approach to learning. Each student is evaluated to formulate an individual plan to reach their goals.

I am a credentialed teacher with experience working with students of all learning styles. I have been trained in English Language Development, Reading Instruction and Intervention, Universal Design for Learning (multi-sensory approach), and Specially Designed Academic Instruction in English.

If you are interested in Academic Coaching, please contact the school office or email me at apenksaw@covschool.org.

In His Service,

Mrs. Pensaw
